1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $\epsilon \rightarrow 0$. It is shown that the solutions of the system (1) converge to the solutions of the system (2) in the sense of the weak convergence in the space $L^2(\Omega; \mathbb{R}^n)$.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of historical cursive. There are two large, dark circular marks (possibly holes or ink blots) visible on the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of what might be a signature or official stamp at the bottom right.

3.

Handwritten musical notation on a single staff, featuring a series of rhythmic notes and rests. The notation is written in a cursive style, typical of early manuscript notation. The notes are connected by a continuous line, and the rests are indicated by vertical strokes. The overall appearance is that of a musical score or a rhythmic exercise.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark circular marks or holes visible in the middle of the page, possibly from binding or damage.
